Learning Objectives

Participants will be able to:

1. Understand the new dental examination requirement for new enterers in Pre-K or K and Grade 2 in 2015/16;
2. Summarize sections 5 and 7 of the WVBE Policy 2423-Health Promotion and Disease Prevention which includes the dental examination and HealthCheck recommendations and quality assurance for care;
3. Identify key strategies for the 2016/17 proof of dental examinations and HealthChecks for enrollment and progression in school;
4. Review the importance of a dental examination (comprehensive) versus a dental assessment (last resort);
5. Discuss the quality improvement measures for completion of HealthCheck components including vision and hearing screenings; and
6. Review the importance of working with local Dentist, dental providers, public health certified dental hygienist, the medical community and community supports for successful access to oral and medical health care for children and families including insurance enrollment.

Miscellaneous Information:

Bios:

Teresa Marks, BA

West Virginia Department of Health and Human Resources, OMCFH/BPH/Oral Health Program
Teresa Marks was raised in Lawrence County, Ohio and graduated from Chesapeake (OH) High School in 1997. She graduated from Marshall University in 2001 with a B.A. in Secondary Education and is currently completing a master's degree in Healthcare Administration. As Program Manager for the West Virginia Oral Health Program, Ms. Marks provides leadership and administration for oral health projects, currently including three federal grants from the Centers for Disease Control and Prevention (CDC; Oral Disease Prevention Project) and the Health Resources and Services Administration (HRSA; Perinatal and Infant Oral Health Quality Improvement Project and the Dental Workforce Project). With a background in education as both a teacher (English/Language Arts, grades 5-12) and a Director of Education for a national supplemental education provider, Ms. Marks has experience working in both the public and private sectors, including non-profit institutions. She began her career in the WV Bureau for Public Health in 2010 and has advanced due to her hard work and passion for helping the citizens of West Virginia. Ms. Marks recently moved to Putnam County, WV and resides in Eleanor with her husband, Matthew.

Jason Roush, DDS

West Virginia Department of Health and Human Resources, OMCFH/BPH/Oral Health Program
Jason M. Roush, D.D.S. was raised in Pleasants County, WV and graduated from St. Mary's High School in 1992. He attended West Virginia University majoring in Biology and participated in The Pride of West Virginia Marching Band before entering dental school at WVU. After graduating from WVU School of Dentistry in 1998, he was an associate of Delli-Gatti and Mason, Inc. for a short time. In 1999, he opened a private practice in Parkersburg, and continues to build a successful practice in Wood County. Dr. Roush has previously been on staff at Camden Clark Memorial Hospital, provided general dental care for inmates at St. Mary's Correctional Centers, and provided school-based dental care for Jackson and Wirt Counties. In 2010, Dr. Roush accepted the position of State Dental Director for West Virginia. He is a member of ASTDD and currently chairs the Fluorides Committee. Dr. Roush is also a Clinical Assistant Professor in the Department of Dental Practice and Rural Health for WVU School of Dentistry, as well as a member of American Dental Association (ADA), West Virginia Dental Association (WVDA), Delta Sigma Delta, WVU Alumni Association, and a member of the Blennerhassett Dental Society where he has held office as President and Vice President. Most recently, Dr. Roush was elected as Vice President of the West Virginia Public Health Association. Dr. Roush and his wife, Lesley have been married fifteen years and reside in Ripley, WV. They are blessed with five children, twin daughters, Julia and Lauren, two sons, Joshua and Zachary, and youngest daughter, Anna. He is very active in his church and community and in his spare time, he enjoys hunting, fishing, coaching and spending time with his family.

Robert Wines

West Virginia Department of Health and Human Resources, OMCFH/BPH/HealthCheck
Robert L. Wines is the WVDHHR-Program Director of Early Periodic Screening, Diagnosis, and Treatment (EPSDT) Program/WV HealthCheck. He provides direct oversight and technical assistance to the eight Regional HealthCheck Specialist to ensure positive outcomes for WV children. He has worked in this capacity since 2014. Mr. Wines earned a Bachelor of Arts degree in Business and Marketing from West Virginia Wesleyan College in 1991. He has an array of administrative and public health experiences throughout his career.
