

West Virginia School Health Technical Assistance Center

Please join us Wednesday, November 18, 2015

from 2:30-3:30 p.m.

for a free webinar on

Best Practices Prescribing and Preventing Drug Diversion

This webinar will discuss the basics of the origins of pain and how pain is experienced. Participants will learn current best practices for opioid management by primary care practices.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio
are available on our webpage:**
