

West Virginia School Health Technical Assistance Center

Please join us Wednesday, February 10, 2016
from 2:30-3:30 p.m.
for a free webinar on
Hemophilia and Other Bleeding Disorders

Participants of this webinar will discuss Hemophilia A and B and understand Von Willebrand Disease including the various types and treatments. Participants will also learn about referral sources for patients with bleeding disorders in the State of West Virginia.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio
are available on our webpage:**

Amy Leedy – leedya@marshall.edu Mary Grandon – grandon@marshall.edu

Paula Fields – prfields@k12.wv.us or Rebecca King – rjking@k12.wv.us

Bios:

Amber Tichnell, BA, MSILR, is the current Executive Director of the West Virginia Chapter of the National Hemophilia Foundation. This Chapter serves all West Virginians who have bleeding disorders. The goal of the Chapter is to educate, advocate, and help create a sense of community for its members. Amber has been the ED of the chapter since its inception. She has a strong background in the administrative side of health care having worked in a hospital setting for almost ten years.
