

## West Virginia School Health Technical Assistance Center

Please join us Wednesday, February 11, 2015

from 2:30-3:30 PM

for a free webinar on

### Preventing HPV in the Mountain State

The WV Immunization Network is a statewide coalition that is focused on improving immunization rates and protecting West Virginians from vaccine-preventable diseases. This webinar will provide an overview of the HPV vaccine, its recommendations, methods of improving HPV vaccination rates, and ways to communicate about the vaccine. Please join Elaine Darling, Program Manager, for the Center for Rural Health Development and the WV Immunization Network, to learn more about preventing HPV in the Mountain State.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able.

**Registration Link, CEU Information and Presenter Bio  
are available on our webpage:**
