

## West Virginia School Health Technical Assistance Center

Please join us Wednesday, February 17, 2016

from 2:30-3:30 p.m.

for a free webinar on

### Community Schools from a School Nurse and RESA Perspective

Join us to learn more on engaging local and state resources within the eight pillars of the WV community schools framework from a RESA and school nurse perspective.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio  
are available on our webpage:**

#### Learning Objectives

Participants will be able to:

1. Have a better understanding of the pillars of WV's Community Schools framework.
2. Take away examples from specific WV resources applicable to creating a local community school.
3. Identify ways to think outside of the box and work towards a community school nurse coordinator.

#### Miscellaneous Information:

CEUs pending through the Office of Maternal, Child and Family Health. Social Work Continuing Education provider registration number (490089); West Virginia Board of Examiners for Registered Nurses provider number (WV1999-0297).

This event is coordinated by the West Virginia Department of Education Offices of Student and Community Support and Special Education along with the West Virginia School Health Technical Assistance Center at the Joan C. Edwards School of Medicine, Marshall University.

#### Bios:

##### John Kennedy M.A.

*Community Schools Coordinator RESA1*

John holds a M.A. Clinical Psychology, and has trained in family therapy under the supervision of Philadelphia Child Guidance Center and Western Psychiatric Center. He has spent 24 years in both private and public sectors

delivering treatment to schools age students and families He also has worked the last 19 years coordinating community and school partnerships by promoting health, safety, well-being and academic success of students in public schools.

**Janet Allio, RN, BSN, MA**

*School Nurse and Community Schools Health Care Coordinator, Mary C. Snow West Side Elementary*  
Nurse Allio has been a school nurse for 23 years and is the first community school nurse coordinator in Kanawha County. She is a member of the WV Children’s Justice Task Force and is particularly proud to serve on the Steering and Training Committee of the WV Defending Childhood “Handle with Care” Initiative. Nurse Allio will share how holistic health care is being provided for students on Charleston’s West Side with outreach into the community. She sees many needs daily and focuses on coordinating the health as well as other components of a community school. Nurse Allio is the 2015 School Nurse of the year: <http://www.wvgazettemail.com/article/20150105/GZ01/150109772/1116> and received the 2015 Highmark Excellence in School Nursing Award.

**Carol Cipoletti RN, BSN, MS, NCSN**

*School Nurse Coordinator, Brooke County Schools*  
Nurse Cipoletti has been a School Nurse for over 22 years. She works full time at Brooke High School. She also serves on the WV Council for School Nurses and is a very proactive school nurse leader. Nurse Cipoletti will share how her school is poised and ready to become a community school recognizing Brooke County High School currently implements many foundational and advance pieces of a full service community school.
