

West Virginia School Health Technical Assistance Center

Please join us Monday, February 27, 2017

from 2:30-3:30 p.m.

for a free webinar on

Drug Diversion: Best Practices in Chronic Pain and Drug Misuse

Participants of this webinar will learn about best practices for management of chronic pain and drug misuse in a patient treated with opioid based therapies. This is a 1 contact hour offering for the newly "required" SB 437 drug diversion training for RNs/LPNs who are renewing their licensure as mandated by the WV Board of Nursing.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio
are available on our webpage:**
