

West Virginia School Health Technical Assistance Center

Please join us Wednesday, March 29, 2017

from 2:30-3:30 p.m.

for a free webinar on

Mental Health Issues of Veterans Returning from Iraq and Afghanistan Part 1

(This webinar will provide 1 of the 2 nursing CE requirements for WV nurses related to mental health conditions common to veterans and family members of veterans)

This webinar will identify specific combat issues impacting service members in Iraq and Afghanistan. Participants will state the mental health needs of Veterans and their families and understand the role of community providers in the readjustment process.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio
are available on our webpage:**
