

West Virginia School Health Technical Assistance Center

Please join us Tuesday, September 12, 2017

from 2:30-3:30 p.m.

for a free webinar on

STOP THE BLEED

The webinar will discuss a new educational program called *Stop the Bleed*. The program is an initiative of Charleston Area Medical Center (CAMC) and WVU. The webinar will review the contents and use of *Stop the Bleed kits* and demonstration actions as an immediate responder to assist in stopping a like threatening bleed.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio
are available on our webpage:**

Bio:

Doug Douglas, RN, CFRN, CMTE, graduated nursing school in 1988 from University of Charleston with an AS degree in Nursing. In 1989, he received his Board of Regents bachelor’s degree from WV State College. His career began as a new graduate in the Surgical ICU at CAMC General until 1992. In 1992, He began his career as a flight nurse with HealthNet Aeromedical Services. He served with HealthNet Aeromedical Services for 24 years as a flight nurse, Flight Team Leader and finally as Director of Operations. In 2014, he returned to CAMC and now works as a Trauma Nurse Clinician at Charleston Area Medical Center, Charleston, WV. His duties include coordinating and instructing trauma related courses to physicians, nurses and pre-hospital personnel. He educates and conducts trauma prevention programs to all age groups. He also conducts outreach and serves as a liaison to referring medical facilities. In 2012, he retired from the WV Air National Guard with 31 years of service. He is also a life member of the Pinch Volunteer Fire Department and active in community events. Recently he assumed the role of president for the Red Knights Motorcycle Club, State Association for WV.

His career has been focused on caring for the trauma patient, education and prevention. He believes in hard work, honesty, integrity and respect. Being a trauma nurse has awarded him the opportunity to achieve his professional and personal goals all the while opening new doors and options to expand his career.
