Coordinators are the Capstone

“Success is uncommon and not to be enjoyed by the common man. I’m looking for uncommon people because we want to be successful, not average.”

-Cal Stoll, University of Minnesota

Role of a Coordinator

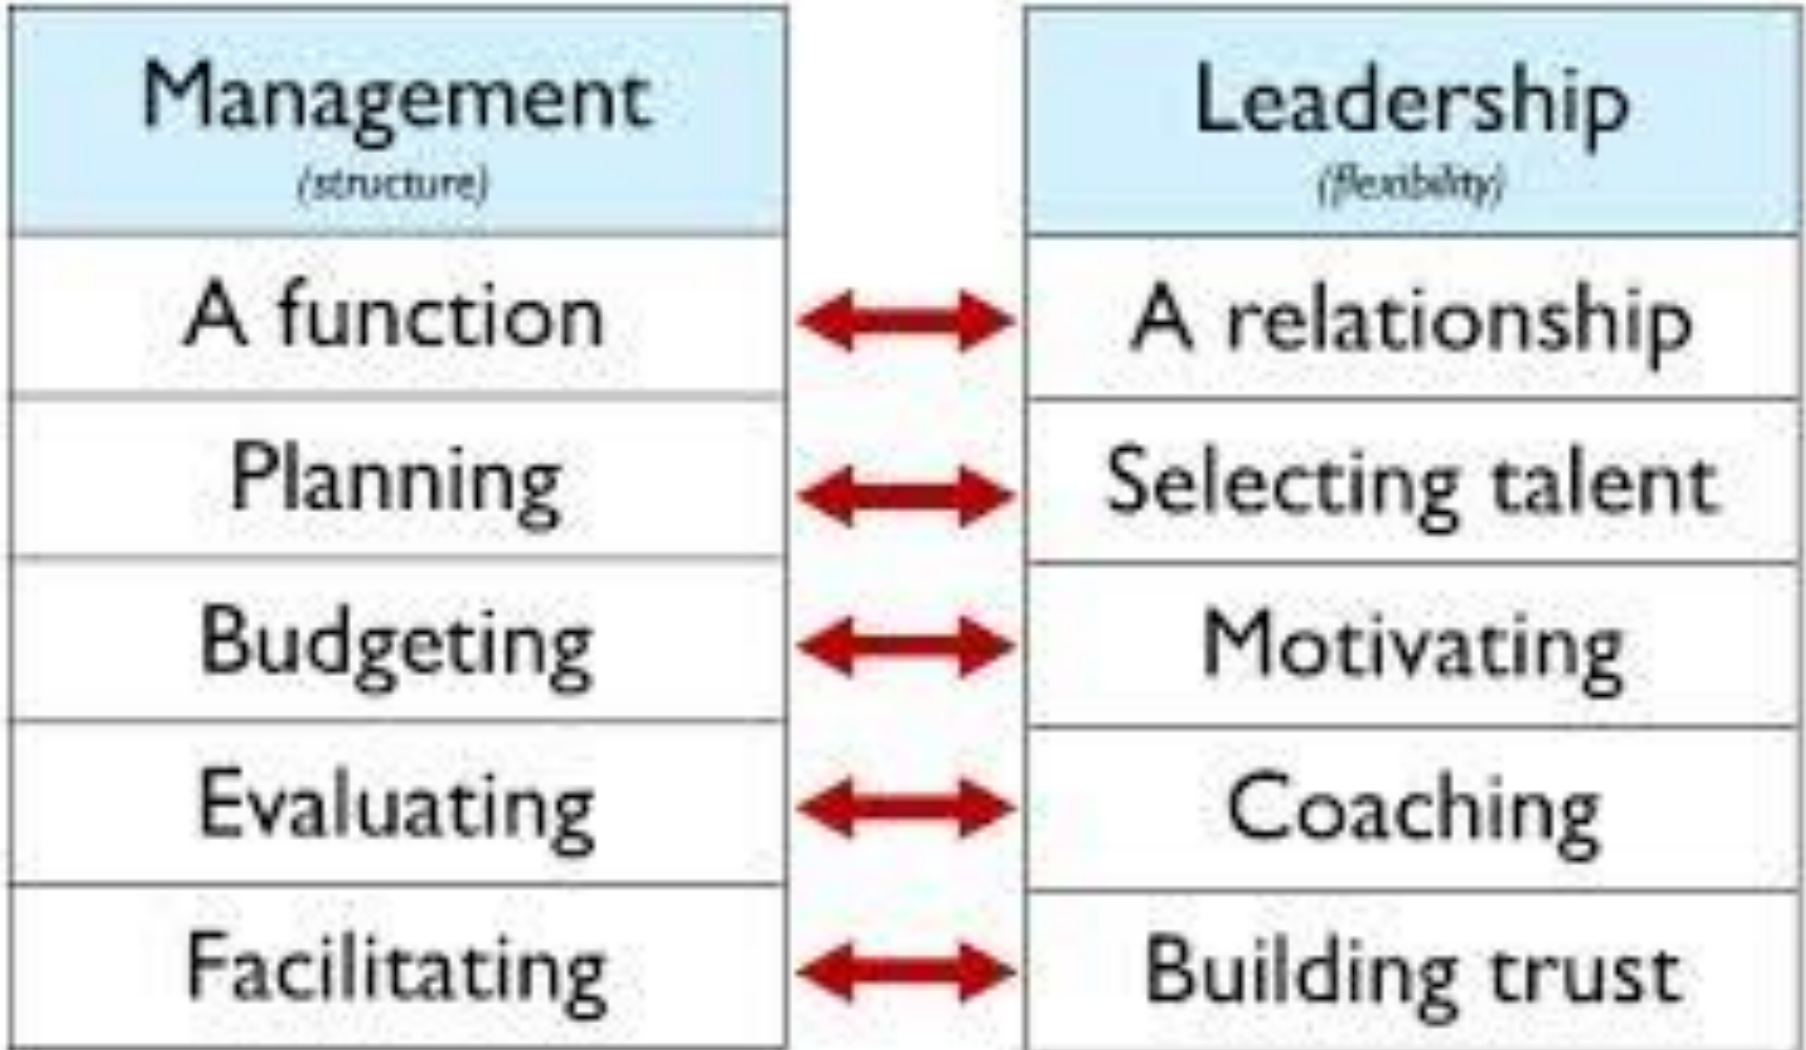

- Facilitate the collaborative process and development of a continuum of services for children, families and community members within a school neighborhood.
- Ensure the alignment and integration of all programs/services
- Support the research/evaluation
- Oversee the fiscal management of the community school budget

SCOTT BROWN

Cooperation

Informal relationships that exist without any commonly defined mission, structure or planning effort.

Cooperation
means not
fighting over
who gets the
sharpest pencil.

“I want everyone at the meeting to dress up like Lego blocks. Then we can see exactly how each team member interlocks with the other team members in the project.”

Coordination

Formal relationships and understanding of compatible missions.

Collaboration

**Mutually beneficial
and well-defined relationship entered into by two or
more organizations to achieve common goals.**

Strategies for Strengthening Collaboration

1. Relationships, Relevance, & Repetition
2. Make sure every feels as if they **BELONG**.
3. Make time to **SHARE** experiences & knowledge.
4. Create venues where the team can **SERVE** together
5. When something goes wrong **SUPPORT** each other.
