**SBHC Asthma Toolkit
Table of Contents
Summer 2007**

This SBHC Asthma Toolkit is developed for School Based Health Centers (SBHC). With the plethora of asthma information available, this toolkit is not intended to be all inclusive. Instead was developed to provide samples of good resources for SBHC. For a copy of the electronic documents please visit www.wvsbha.org and choose the technical assistance and evaluation tab.

1. Asthma CQI Tool Draft

2. Sample Asthma Forms:

Asthma Initial & Maintenance Form

Asthma Encounter Form

Asthma Action Plan

3. NASBHC Green Zone – Action Plans - Letters

4. Chart Audits:

Asthma Screening

Asthma Care Chart Audit

5. Notes and Miscellaneous
