

## West Virginia School Health Technical Assistance Center

Please join us Wednesday, April 15, 2015  
from 2:30-3:30 PM  
for a free webinar on  
**Drug Diversion**

This webinar will discuss the neonatal effects of drug dependency during pregnancy. It will provide school nurses and school-based health center staff with knowledge and resources to assist pregnant and parenting teens and adults with drug diversion techniques. The webinar will also provide education on Neonatal Abstinence Syndrome (NAS). **Current nursing licensure renewal requires 1 CE in drug diversion every year.**

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able.

**Registration Link, CEU Information and Presenter Bio  
are available on our webpage:**
