Learning Objectives

Participants will be able to:

1. Summarize the WVBE Policy 2423-Health Promotion and Disease Prevention which includes health check points for adolescent immunizations, HealthCheck and dental examinations for students;
2. Identify key strategies for recruiting parents to provide the 2017 proof of adolescent immunizations, dental examinations and HealthChecks for enrollment and progression in school;
3. Understand the importance of assisting families with enrollment and/or reenrollment of medical and dental insurance;
4. Discuss quality improvement measures for adolescent vaccinations;
5. Discuss the quality improvement measures for completion of HealthCheck components including vision and hearing screenings;
6. Understand the new dental examination requirement for new enterers in Pre-K or K, Grade 2 and Grade 7 in 2017/18;
7. Review the importance of a dental examination (comprehensive) versus a dental assessment (last resort);
8. Discuss how the school nurse can assist with linkage to local dental providers and public health certified dental hygienist to complete the dental assessments for students without an exam or dental home; and
9. Review the supporting educational and promotional materials for students, parents, providers and medical community awareness.

Miscellaneous Information:

CEUs pending through the Office of Maternal, Child and Family Health. Social Work Continuing Education provider registration number (490089); West Virginia Board of Examiners for Registered Nurses provider number (WV1999-0297).

Bios:**Jeffrey Neccuzi, BS**

Director, WV Division of Immunization Services

Jeff was West Virginia's first Vaccines for Children (VFC) Coordinator at its inception on October 1, 1994. Jeff provides subject matter support to the development of immunization legislation, participates in Bureau for Public Health mass vaccination preparedness planning and with numerous stakeholder groups in implementing immunization best practices and policies and procedures.

Robert Wines, BA

Director, WV HealthCheck

Robert L. Wines is the WVDHHR-Program Director of Early Periodic Screening, Diagnosis, and Treatment (EPSDT) Program/WV HealthCheck. He provides direct oversight and technical assistance to the eight Regional HealthCheck Specialists to ensure positive outcomes for WV children. He has worked in this capacity since 2014. Mr. Wines earned a Bachelor of Arts degree in Business and Marketing from West Virginia Wesleyan College in 1991. He has an array of administrative and public health experiences throughout his career.

Teresa Marks, BA

Program Director, WV Oral Health Program

West Virginia Department of Health and Human Resources, OMCFH/BPH/Oral Health Program
Teresa Marks was raised in Lawrence County, Ohio and graduated from Chesapeake (OH) High School in 1997. She graduated from Marshall University in 2001 with a B.A. in Secondary Education and is currently completing a master's degree in Healthcare Administration. As Program Manager for the West Virginia Oral Health Program, Ms. Marks provides leadership and administration for oral health projects, currently including three federal grants from the Centers for Disease Control and Prevention (CDC; Oral Disease Prevention Project) and the Health Resources and Services Administration (HRSA; Perinatal and Infant Oral Health Quality Improvement Project and the Dental Workforce Project). With a background in education as both a teacher (English/Language Arts, grades 5-12) and a Director of Education for a national supplemental education provider, Ms. Marks has experience working in both the public and private sectors, including non-profit institutions. She began her career in the WV Bureau for Public Health in 2010 and has advanced due to her hard work and passion for helping the citizens of West Virginia. Ms. Marks recently moved to Putnam County, WV and resides in Eleanor with her husband, Matthew.

Jason Roush, DDS

State Dental Director

West Virginia Department of Health and Human Resources, OMCFH/BPH/Oral Health Program

Jason M. Roush, D.D.S. was raised in Pleasants County, WV and graduated from St. Mary’s High School in 1992. He attended West Virginia University majoring in Biology and participated in The Pride of West Virginia Marching Band before entering dental school at WVU. After graduating from WVU School of Dentistry in 1998, he was an associate of Delli-Gatti and Mason, Inc. for a short time. In 1999, he opened a private practice in Parkersburg, and continues to build a successful practice in Wood County. Dr. Roush has previously been on staff at Camden Clark Memorial Hospital, provided general dental care for inmates at St. Mary’s Correctional Centers, and provided school-based dental care for Jackson and Wirt Counties. In 2010, Dr. Roush accepted the position of State Dental Director for West Virginia. He is a member of ASTDD and currently chairs the Fluorides Committee. Dr. Roush is also a Clinical Assistant Professor in the Department of Dental Practice and Rural Health for WVU School of Dentistry, as well as a member of American Dental Association (ADA), West Virginia Dental Association (WVDA), Delta Sigma Delta, WVU Alumni Association, and a member of the Blennerhassett Dental Society where he has held office as President and Vice President. Most recently, Dr. Roush was elected as Vice President of the West Virginia Public Health Association. Dr. Roush and his wife, Lesley have been married fifteen years and reside in Ripley, WV. They are blessed with five children, twin daughters, Julia and Lauren, two sons, Joshua and Zachary, and youngest daughter, Anna. He is very active in his church and community and in his spare time, he enjoys hunting, fishing, coaching and spending time with his family.
