

West Virginia School Health Technical Assistance Center

Please join us Wednesday, October 25, 2017

from 3:00 – 4:00 p.m.

for a free webinar on

ACEs – The Adverse Childhood Experiences Study

The webinar will provide participants with an overview of the Adverse Childhood Experiences Study (ACEs Study). The ACEs is a large study which demonstrated a relationship between 10 categories of abuse, neglect, and household dysfunction in childhood and mental and physical illness in childhood and adulthood. We now understand the neural and biological mechanisms that have a powerful and proportional effect on the brains and bodies of people over a lifetime and have a profound effect on the most pressing public health problems in West Virginia.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio
are available on our webpage:**

Learning Objectives

- 1) Participants will be able to describe the ten questions which make up the ACE study.
- 2) Participants will become aware of the factors influencing children's health and adult health, such as poverty and genetics.
- 3) Participants will have a generalized understanding of the evidence connecting ACEs and health outcomes as adults.

Miscellaneous Information:

CEUs pending through the Office of Maternal, Child and Family Health. Social Work Continuing Education provider registration number (490089); West Virginia Board of Examiners for Registered Nurses provider number (WV1999-0297).

This event is coordinated by the West Virginia Department of Education Office of Special Education along with the West Virginia School Health Technical Assistance Center at the Joan C. Edwards School of Medicine, Marshall University.

For questions contact:

Lori Haapala – haapala@marshall.edu or Rebecca King – rjking@k12.wv.us
