

West Virginia School Health Technical Assistance Center

Please join us Tuesday, April 10, 2018

from **2:30-3:30 p.m.**

for a free webinar on

PART I: VETERANS MENTAL HEALTH

TRAUMATIC BRAIN INJURY vs. POST-TRAUMATIC STRESS DISORDER IN THE VETERAN

This webinar will provide an introduction to information on traumatic brain injury (TBI), post-traumatic stress disorder (PTSD), and compare and contrast between the two.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio
are available on our webpage:**
