

West Virginia School Health Technical Assistance Center

Please join us Wednesday, April 18, 2018

from **2:30-3:30 p.m.**

for a free webinar on

PART II: VETERANS MENTAL HEALTH

TRAUMATIC BRAIN INJURY AND STRESS IN VETERANS

This webinar will provide insight to lasting effects of traumatic brain injury (TBI), common stressors, and insight to suicide risks within the veteran population.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio
are available on our webpage:**
