

# West Virginia School Health Technical Assistance Center

Please join us Friday, April 27, 2018

from **2:30-3:45 p.m.**

for a free webinar on

## Learning How to Navigate the NEW WVSIS-Oral Health Services Module

This webinar will demonstrate how to access and use of the new WVSIS-Oral Health Services Module which holds the student dental examinations data for new enterers in Pre-K and Kindergarten and Grades 2, 7 and 12 from the dentist. It will discuss the ability of dental offices and school nurses to view, write and develop reports.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. *This webinar will be recorded and posted with CEU's for future listening for those unable to attend the live offering.*

**Registration Link, CEU Information and Presenter Bio  
are available on our webpage:**
