

Please join us Tuesday, February 12, 2019  
from **2:30-3:30 pm**  
for a free webinar on

**Empowering a Return to Learn Team: Concussion  
Adjustments in the Classroom**

In this presentation we will discuss the implementation of Return to Learn in West Virginia, the process of empowering school personnel to make classroom adjustments to maximize learning and healing after a head injury has occurred in a student. Through this presentation, we hope to increase understanding of Return to Learn in WV; the process of implementation Review the REAP (Remove/Reduce, Educate, Adjust/Accommodate, Pace) Concussion Management Manual; understand the roles and responsibilities of the family team, school team, and medical team in implementation of Return to Learn; and how those team can effectively integrate efforts.

This training is offered only via WebEx (no conference call lines will be available). **The Webinar is FREE but you must register in advance.** We are limited to 100 WebEx participants, so please **register early** and plan for group access when able. **This webinar will be recorded and posted with CEUs for future listening for those unable to attend the live offering.**

**Registration Link, CEU Information and Presenter Bio**  
are available on our web page:
